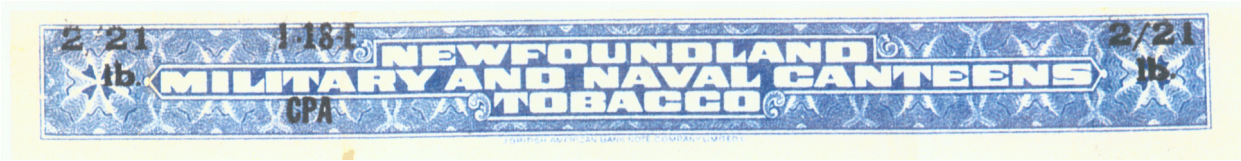
NT-193 - no value, blue, imperforate, used for pouches, and on one-half pound cans of tobacco
[this strip seems to have been scissor-cut from an imperforate sheet]

Fritz Angst supplied the following photocopy of **NT-193** overprinted **2/21 lb** on each end, and company cancelled with **1-18-E / CPA** by Tuckett Tobacco, Hamilton, in March 1944. Probably the Brandom catalogue number would be **NT-194A**. Lee Brandom lists the **1/9th lb.** overprint as **NT-194**. Both of these are **WANTED**!



NT-194A - **2/21 lb.** on NT-193, blue, imperforate, cancelled **1-18-E / CPA** by Tuckett Tobacco, in March 1944
